

PILOT SERVICES AGREEMENT

This Pilot Services Agreement (“Agreement”) is entered into as of the date of last signature below (the “Effective Date”) by and between:

DealRipe, Inc., a Delaware corporation, with its principal place of business in California (“DealRipe”), and

Magaya Corporation, a Florida corporation with its principal place of business at 7950 NW 53rd ST, Miami, FL 33166 (“Magaya”).

DealRipe and Magaya are each referred to as a “Party” and collectively as the “Parties.”

1. PURPOSE

The Parties wish to evaluate DealRipe’s qualification-extraction software (the “Service”) in Magaya’s environment through a limited 30-day pilot. This Agreement governs that evaluation. Nothing in this Agreement obligates either Party to enter into a longer-term commercial agreement following the pilot.

2. PILOT SCOPE

2.1 Duration

The pilot will commence on a start date mutually agreed by the Parties in writing (email is sufficient) (the “Pilot Start Date”), and will run for a period of thirty (30) consecutive days from the Pilot Start Date (the “Pilot Period”), unless terminated earlier under Section 9. The Pilot Start Date will be set only after both of the following have occurred: (i) Magaya’s general counsel has approved the consent language for pilot prospects; and (ii) the code review described in the Data Processing Agreement has been successfully completed.

2.2 Deals in Scope

The pilot will be conducted on three (3) sales opportunities mutually identified by Mark Buman (Magaya CRO) and DealRipe before the Pilot Period begins (the “Pilot Deals”). The Pilot Deals will be confirmed in writing (email is sufficient) before pilot kickoff. No additional opportunities will be added to the pilot without written consent of both Parties.

2.3 Authorized Users

DealRipe side: Maanit Sharma (Founder & CEO). Magaya side: Mark Buman (CRO), Matthew Fotouhi (Chief Information Officer), and the named account owners of the Pilot Deals.

Access to Magaya data is limited to the individuals listed above. Any change to authorized users requires written notification to the other Party.

2.4 DealRipe Deliverables

During the Pilot Period, DealRipe will:

- (a) Extract qualification field updates from call recordings/transcripts for the Pilot Deals and write structured outputs to Magaya’s CRM (Roll Dog and/or Salesforce) within twenty-four (24) hours of the call being made available to DealRipe;
- (b) Generate pre-call briefings for each upcoming customer call on the Pilot Deals, including call objectives, top recommended questions, suggested next-step commitments, and identified risks;

- (c) Provide a pipeline-view summary of the Pilot Deals with current qualification state and DealRipe-adjusted close-date forecasts;
- (d) Hold a thirty (30) minute weekly check-in with Mark Buman to review outputs and gather feedback.

2.5 Magaya Obligations

During the Pilot Period, Magaya will:

- (a) Provide DealRipe with access to call recordings or transcripts for the Pilot Deals through Magaya's existing recording tools (or, if Magaya does not have a recording tool in place, by an alternative method mutually agreed upon, including DealRipe's meeting assistant joining the applicable Microsoft Teams calls via calendar invitation);
- (b) Provide DealRipe with read-only access to CRM records for the Pilot Deals only (specifically: deal stage, ARR, close date, contacts, qualification fields). DealRipe shall have no access to any Magaya data outside the Pilot Deals;
- (c) Provide thirty (30) minutes per week of Mark Buman's time for a feedback check-in;
- (d) Confirm the Pilot Deals in writing before pilot kickoff.

3. FEES

3.1 Pilot Fees

The 30-day pilot is provided to Magaya at no cost.

3.2 Post-Pilot Conversion

This Agreement does not commit either Party to a post-pilot commercial relationship. If both Parties wish to continue, commercial terms will be negotiated and documented in a separate agreement.

4. SUCCESS CRITERIA AND EVALUATION

At the end of the Pilot Period, the Parties will jointly evaluate the pilot against the following questions:

- (a) Did DealRipe's extracted qualification fields match what Mark Buman would have manually pulled from the same call recordings?
- (b) Did DealRipe's pre-call briefings surface useful gaps and questions that improved the rep's call preparation?
- (c) Did the rep workflow improve, remain neutral, or degrade as a result of using DealRipe?
- (d) Did DealRipe meet Magaya's data security and governance requirements throughout the Pilot Period?

The Parties will jointly document evaluation results and use them as the basis for any post-pilot conversation.

5. INTELLECTUAL PROPERTY

5.1 DealRipe IP

DealRipe retains all right, title, and interest in and to the Service, including all software, models, prompts, frameworks, configurations, and any improvements made during the Pilot Period. Nothing in this Agreement transfers ownership of any DealRipe IP to Magaya.

5.2 Magaya Data

Magaya retains all right, title, and interest in and to all Magaya data accessed by DealRipe during the pilot, including call transcripts, CRM data, customer information, and any data derived therefrom. Nothing in this Agreement transfers ownership of any Magaya data to DealRipe.

5.3 License to Use Outputs

DealRipe grants Magaya a non-exclusive, royalty-free license to use the outputs of the Service (e.g., extracted qualification fields, generated briefings) for Magaya's internal business purposes during and after the Pilot Period.

5.4 No Use of Magaya Data for Model Training

DealRipe shall not use Magaya data to train, fine-tune, or otherwise improve any machine learning model. DealRipe's use of Anthropic's API operates under Anthropic's standard commercial terms, which contractually prohibit the use of customer data for model training.

6. CONFIDENTIALITY

6.1 Definition

"Confidential Information" means any non-public information disclosed by one Party to the other in connection with this Agreement, whether oral, written, or electronic, including but not limited to: business strategies, customer lists, pricing, technical data, software, and any data accessed through the Service.

6.2 Obligations

Each Party agrees to: (a) hold the other Party's Confidential Information in strict confidence; (b) use such Confidential Information only for the purposes of this Agreement; (c) limit access to employees and contractors with a need to know who are bound by confidentiality obligations at least as protective as those in this Agreement; and (d) protect such Confidential Information using at least the same degree of care it uses to protect its own confidential information of similar nature, but in no event less than reasonable care.

6.3 Exceptions

Confidential Information does not include information that: (a) is or becomes publicly known through no fault of the receiving Party; (b) was known to the receiving Party before disclosure; (c) is independently developed by the receiving Party without reference to Confidential Information; or (d) is required to be disclosed by law, provided the receiving Party gives the disclosing Party prompt notice where legally permitted.

6.4 Duration

Confidentiality obligations under this Section survive termination of this Agreement for a period of three (3) years.

7. DATA HANDLING

The Parties' respective obligations regarding data handling, security, sub-processors, breach notification, and data subject rights are set forth in a separate Data Processing Agreement

executed by the Parties (the “DPA”), which is incorporated by reference. In the event of conflict between this Agreement and the DPA regarding data-handling matters, the DPA shall control.

8. WARRANTIES AND DISCLAIMERS

8.1 Mutual Warranties

Each Party represents and warrants that: (a) it has the authority to enter into this Agreement; and (b) its performance under this Agreement will not violate any applicable law or third-party agreement.

8.2 DealRipe Service Warranty

DealRipe will perform the Service in a professional and workmanlike manner. DealRipe makes no warranty that the Service will be error-free or uninterrupted during the Pilot Period.

8.3 Disclaimer

EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, THE SERVICE IS PROVIDED “AS IS” AND DEALRIPE DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

9. TERMINATION

9.1 Termination for Convenience

Either Party may terminate this Agreement at any time during the Pilot Period upon twenty-four (24) hours’ written notice to the other Party, with no penalty or further obligation.

9.2 Termination for Cause

Either Party may terminate this Agreement immediately upon written notice if the other Party materially breaches this Agreement and fails to cure the breach within five (5) business days of receiving written notice of the breach.

9.3 Effect of Termination

Upon termination of this Agreement for any reason:

- (a) DealRipe will immediately cease all access to Magaya data and systems;
- (b) DealRipe will delete or return all Magaya data within twenty-four (24) hours of termination and provide written confirmation of such deletion;
- (c) Each Party will continue to be bound by Sections 5 (IP), 6 (Confidentiality), 8.3 (Disclaimer), 10 (Limitation of Liability), and 11 (Indemnification) for the durations specified therein;
- (d) Magaya retains the right to use any DealRipe outputs already delivered (e.g., briefings already generated) for its internal business purposes.

10. LIMITATION OF LIABILITY

10.1 Cap on Liability

EXCEPT FOR BREACHES OF CONFIDENTIALITY (SECTION 6) OR INDEMNIFICATION OBLIGATIONS (SECTION 11), EACH PARTY’S TOTAL LIABILITY UNDER THIS AGREEMENT SHALL NOT EXCEED THE GREATER OF (A) FEES PAID BY MAGAYA UNDER THIS AGREEMENT, OR (B) ONE THOUSAND DOLLARS (\$1,000). FOR THE

AVOIDANCE OF DOUBT, IF NO FEES ARE PAID UNDER THIS AGREEMENT, THE CAP IS \$1,000.

10.2 Exclusion of Indirect Damages

IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR PUNITIVE DAMAGES, INCLUDING LOST PROFITS, LOST REVENUE, OR BUSINESS INTERRUPTION, ARISING OUT OF OR RELATED TO THIS AGREEMENT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

11. INDEMNIFICATION

11.1 By DealRipe

DealRipe will defend Magaya against any third-party claim alleging that the Service, as provided by DealRipe and used by Magaya in accordance with this Agreement, infringes any U.S. patent, copyright, or trademark, and will indemnify Magaya for damages and costs finally awarded against Magaya in connection with such claim, subject to the cap in Section 10.1.

11.2 By Magaya

Magaya will defend DealRipe against any third-party claim arising from Magaya's misuse of the Service or violation of applicable law in connection with this Agreement, and will indemnify DealRipe for damages and costs finally awarded against DealRipe in connection with such claim, subject to the cap in Section 10.1.

11.3 Indemnification Process

The Party seeking indemnification will promptly notify the indemnifying Party of any claim, allow the indemnifying Party to control the defense and settlement (provided no settlement requires the indemnified Party to admit liability or pay money without consent), and reasonably cooperate at the indemnifying Party's expense.

12. GENERAL

12.1 Governing Law

This Agreement is governed by the laws of the State of California, without regard to conflict of laws principles.

12.2 Dispute Resolution

The Parties will attempt to resolve any dispute through good-faith negotiation between authorized representatives. If the dispute is not resolved within thirty (30) days, either Party may submit the dispute to binding arbitration administered by the American Arbitration Association in San Francisco, California.

12.3 No Publicity

Neither Party shall use the other's name, logo, or trademarks in any external communications, press releases, marketing materials, or customer lists without prior written consent.

12.4 Independent Contractors

The Parties are independent contractors. Nothing in this Agreement creates a partnership, joint venture, agency, or employment relationship.

12.5 Entire Agreement

This Agreement, together with the DPA, constitutes the entire agreement between the Parties regarding the pilot and supersedes all prior or contemporaneous agreements, communications, or understandings.

12.6 Amendments

Any amendment to this Agreement must be in writing and signed by authorized representatives of both Parties.

12.7 Assignment

Neither Party may assign this Agreement without the other Party's prior written consent, except that either Party may assign this Agreement to a successor in connection with a merger, acquisition, or sale of substantially all assets, provided that the successor agrees in writing to be bound by the Agreement.

12.8 Severability

If any provision of this Agreement is held invalid or unenforceable, the remaining provisions remain in full force and effect.

12.9 Notices

All notices must be in writing and delivered by email to:

For DealRipe: maanit@dealripe.com (or such other address as DealRipe may designate in writing). For Magaya: mfotouhi@magaya.com and mbuman@magaya.com.

12.10 Counterparts and Electronic Signatures

This Agreement may be executed in counterparts, including by electronic signature (e.g., DocuSign), each of which is deemed an original.
